Ted Nolan

Vice President of Hockey Operations

Ted Nolan enters his first season as the team's Vice President of Hockey. Nolan, 51, returns to Rochester for the first time since the 1984-85 season. Since his days in the Flower City, he has enjoyed success as a player, coach and humanitarian. His resume includes four seasons as a head coach in the National Hockey League, the 1996-97 Jack Adams Trophy as NHL Coach of the Year, a Calder Cup championship, a Memorial Cup title and numerous honors for his philanthropic efforts.

Nolan was born on the Garden River First Nation just outside Sault Ste. Marie, Ontario, and played for the Soo Greyhounds of the Ontario Hockey League. The left winger was selected by the Detroit Red Wings in the fifth round (78th overall) in the 1978 NHL Amateur Draft. His pro career spanned eight seasons, most of them in the American Hockey League (1978-85). He played in 374 AHL games with teams in Adirondack, Rochester and Baltimore. During that time, Nolan also appeared in 78 NHL games between the Detroit Red Wings and Pittsburgh Penguins.

He broke into the pros with the Kansas City Red Wings of the Central Hockey League in 1978-79, before spending the next five seasons with the Adirondack Red Wings. In 1980-81, he was a member of the Red Wings' Calder Cup championship team. He appeared in 299 games with the Red Wings from 1979-84 and recorded 84 goals, 126 assists and 455 penalty minutes. Nolan played in 60 NHL games with Detroit and scored five goals, added 15 assists and collected 71 penalty minutes. While with the Detroit organization, he befriended another rising star, Jody Gage. The two played together for five seasons before Nolan departed for the Buffalo Sabres/Rochester Americans in 1984-85.

Nolan, former captain with the Amerks finished his only season in Rochester sixth on the team in points (62) and third in penalty minutes (152). He ended his playing career in 1985-86 as he split time with the AHL Baltimore Skipjacks and the NHL's Pittsburgh Penguins.

He returned to the Sault Ste. Marie Greyhounds as an assistant coach and then became head coach in 1988, as a mid-season replacement. He remained with the Greyhounds until the end of the 1994 season. Nolan led the Greyhounds to three consecutive Memorial Cup tournament berths, winning the Memorial Cup in 1993.

Nolan was promoted to the NHL following the 1993-94 season, taking an assistant job with the Hartford Whalers. The next season, he accepted the position of head coach of the NHL's Buffalo Sabres, where he had his best success. In his second season in Buffalo (1995-96), he led the team to the Northeast Division title and a berth in the conference finals. After helping the Sabres to a 19-point improvement in the standings and the team's first division title in 16 years, he was rewarded by being named the NHL Coach of the Year.

After working behind the Buffalo bench he returned to competitive coaching after an eight-year absence as the head coach and director of hockey operations for the Moncton Wildcats of the Quebec Major Junior Hockey League. In 2005-06, he led Moncton to its first-ever President Cup as QMJHL champion, finishing first overall in the regular season at 52-15-0-2. The Wildcats advanced to the finals of the Memorial Cup where they finished runner-up to the Quebec Remparts. For his efforts, he was named the QMJHL All-Star head coach and the league's General Manager of the Year.

He returned to the professional ranks in 2006 with the NY Islanders after a nine-year layoff from coaching in the NHL and confounded experts by leading the team to the Stanley Cup Playoffs. In a March 2008 Sports Illustrated player survey, he was rated second to only Detroit's Mike Babcock as the coach players would most like to play for. In two seasons on Long Island he guided the Islanders to a record of 73-68-0 to improve his lifetime record to 147-140-40 as an NHL head coach.

Away from the rink, Nolan has devoted himself to First Nations causes, including teaching hockey to First Nations children. His work in this area earned him numerous awards, including the National Aboriginal Achievement Award, the Sault Ste. Marie Medal of Merit, the Order of Ontario 1991, Sault Ste. Marie Kiwanis Citizen of the Year and in 1986 he was chosen as a role model in the National Native Alcohol and Drug Abuse Program. He has also received an honorary diploma for human relations from Niagara College (1997) and accepted an honorary doctorate degree in law from Laurentien University (2002).

Nolan is an active member in the Aboriginal community and in 2003 established the Ted Nolan Foundation in honor of his late mother, Rose. The Ted Nolan Foundation mission statement is "through our philosophy of healthy lifestyle, the Ted Nolan Foundation is committed to the healing process to renew and revitalize the mind, body and spirit of our young people. We will explore to help us train a new cadre of Aboriginal leaders today, to take their rightful place in Canadian society tomorrow. We will help develop programs at the community level for First Nations youth in communities no matter how isolated or poverty stricken. We will raise scholarship funds for First Nation women wishing to complete their education."

In addition, the Ted Nolan Foundation and Tim Horton's Children's Foundation recently agreed to a five-year commitment to sponsor a first nation leadership camp this coming October in St. George, Ontario.

Ted and his wife Sandra reside in Garden River First Nation and are the proud parents of Brandon, a former player with the Carolina Hurricanes organization; and Jordan, a member of the Sault Ste. Marie Greyhounds in the Ontario Hockey League.

MINOR LEAGUE AFFILIATE

Benoit Groulx
Head Coach

Benoit Groulx enters his second season as head coach of the Rochester Americans in 2009-10. The Florida Panthers hired Groulx as the head coach of the Panthers' American Hockey League affiliate on August 22, 2008 and made his professional coaching debut last season as the Amerks bench boss en route to a 29-43-8 record (66 points).

The Gatineau, Quebec, native became the 27th head coach in the 54-year history of the Rochester franchise after replacing Randy Cunneyworth, who accepted an assistant coaching position with the National Hockey League's Atlanta Thrashers after spending eight years behind the Amerks bench.

Groulx, 40, has guided the Gatineau Olympiques (Quebec Major Junior Hockey League) to three league titles (2003, 2004 & 2008) in the last six years. This season, Groulx's team posted a 43-25-2 record and defeated Rouyn-Noranda Huskies to earn the 2008 QMJHL title and advance to the Memorial Cup. He has served as the bench boss for Gatineau since midway through the 2001-02 season.

As a player, Groulx played four seasons (1985-1989) of junior hockey with the Granby Bisons of the QMJHL. In 170 total games with Granby, he recorded 255 points (78+177) and 84 PIM. Groulx also had a two-year stint (1995-1997) with Brest of the French league, scoring 82 points (25+57) while adding 32 PIM in 48 games. Although he was never drafted, Groulx played eight seasons professionally in Europe.

In June 2008, Hockey Canada selected Groulx to be the head coach of Canada's national junior team for the 2009 IIHF World Junior Championships in Ottawa. Groulx has twice represented Canada in international competition. He served as an assistant coach under Brent Sutter for the 2007 Canada-Russia Super Series, which Canada won, and he was also part of the coaching staff for the 2004 World Junior Team, which also earned Canada a gold medal. Groulx left his recent post with Team Canada to join the Rochester Americans.

Benoit resides in Rochester with his 9-year-old son Benoit. He has a girlfriend, Alexandra, who also has an 9-year-old son, Jerome.

Craig Brush
President / General Manager

Craig Brush, the President of the Florida Everblades, along with partners Peter Karmanos and Thomas Thewes, founded the Everblades and Germain Arena in 1998. Brush, a native of Milton, Ontario, oversees all aspects of both the hockey club and the sports complex. In 10 seasons, the Everblades have hosted 2,304,431 fans in 358 regular season games, an average of 6,436 per game, and have led the ECHL in attendance in five of the past eight seasons. Germain Arena and the Everblades hosted the 2003 Compuware/ECHL All-Star game and have led the Kelly Cup Playoffs attendance in six of their nine seasons in the ECHL. The Everblades have also earned a post-season berth in 10 straight seasons in SW Florida. During the 2003-04 season, the Everblades captured the Eastern Conference title and made their first ever trip to the Kelly Cup Finals, and followed that up by becoming the first team in Kelly Cup history to make back-to-back trips to the Kelly Cup Finals after capturing the 2004-05 American Conference Championship. Florida was also awarded the regular season championship Brabham Cup following the 1998-99 season.

Brush played hockey for three seasons at Cornell University and was a member of the 1970 undefeated NCAA Championship team. Craig also coached in the Compuware youth hockey program for many years.

Craig and his wife, Kyle, split time between Estero, Florida and Birmingham, Michigan. The couple has three sons, Matt, Tyler and Patrick.

Malcolm Cameron
Head Coach

Malcolm Cameron finished his first season in style in Southwest Florida winning the regular season title (Brahbam Cup) with a record of 49-17-5 and 103 points. The Everblades were the only team to reach the century mark for the season and also produced the ECHL MVP in Kevin Baker (57-45-102: lead the ECHL in scoring). Other standout performers under Cameron were ECHL leading scoring defenseman, Peter Metcalf (9-51=60) and goaltender David Leggio who's 2.26 goals against average led all ECHL netminders.

Malcolm Cameron was hired as the third head coach in Florida Everblades history on May 29, 2008. Cameron joined the Everblades after spending the previous two seasons as the head coach of the ECHL's Texas Wildcatters. In 2007-08 Cameron led the Wildcatters to a team record 52 wins and 115 points, plus a berth in the Kelly Cup Playoffs, advancing to the second round. In his first season behind the bench in 2006-07, Texas made its first postseason appearance since relocating to Beaumont in 2003-04, advancing to the division finals in the Kelly Cup Playoffs after setting previous team records with 41 wins, 21 home wins and 20 road wins while improving 46 points from 2004-05 which is the fifth-largest single-season point improvement in the 19-year history of the ECHL. Cameron was selected to coach in the 2007 & 2008 ECHL All-Star Games. Cameron joined the Wildcatters after spending two seasons as head coach and director of hockey operations for Long Beach where his teams were 79-47-18 and advanced to the Kelly Cup Playoffs both seasons. In his inaugural season in 2004-05, Long Beach was 43-20-9 and had 95 points which was a 44-point improvement from their expansion season in 2003-04. The 44-point improvement is the sixth-largest single-season point improvement in ECHL history. Cameron returned to the league after spending 2003-04 in the United Hockey League and the Central Hockey League. The 38 year old began 2003-04 in the UHL as head coach of Columbus which suspended operations in January 2004 despite being in first place, earning Cameron a selection as coach for the All-Star Game. He spent the final two months in the CHL as head coach of Corpus Christi. In his first head coaching job in 2002-03, Cameron helped Cincinnati finish 36-29-7 and advance to the conference finals where it lost by a goal in Game 7 to Kelly Cup champion Atlantic City.

The native of Cole Harbour, Nova Scotia and his wife, Heather, have two sons, Brett & Logan.

GENERAL INFORMATION

Media Credentials

Media Credentials will be issued for working members of the media only. Non-working media members, children and friends will not be allowed into the press box or press lounge.

There will be two types of game credentials – one type will allow press box access (working press, radio/TV and visiting team official) and one that will not have press box access (photo/tech and cameramen). Cameramen and technicians are asked to remain in the Press Lounge when not filming. Contact Justin Copertino at (954) 835-7712 for credential information.

Press Entrance

The press entrance is located at the northwest corner of the BankAtlantic Center, just to the left of the arena's loading docks. It will open an hour and a half before the start of each game and close half an hour after the game begins. Please use the press entrance or the security entrance when attending Panthers practices at the BankAtlantic Center.

Press Box Access

To access the Press Box, please exit the Press Lounge at the same door you entered and proceed approximately 40 yards to the press express elevator, which will be on the right. Take the press express elevator to the Sky View Level, which will open directly into the Press Box.

Dressing Room Access

From the Press Lounge: Proceed out the back door of the Press Room and take an immediate left. Follow the corridor until you reach the marked locker room doors or the post-game interview room – approximately 30 yards on the right.

From the Press Box: Upon departing the press express elevator on the event level, proceed to the right and follow the corridor until you reach the locker rooms – approximately 15 yards past the security booth.

Working Press Pass Holders

Working press members will be assigned a seat in the Press Box, which you can access at the Sky View Level off of the press express elevators. Seating charts are posted throughout the Press Box on game nights.

Local media outlets are asked to have telephone lines installed at the BankAtlantic Center. The organization has installed phone lines in the first row of seating for use by the visiting team's media only. Please contact the Panthers' communications staff for more information.

Photo/Tech Pass Holders

Still photographers will be assigned locations, which will be posted on a nightly basis in the Press Lounge. Locations in different areas of the BankAtlantic Center will be identified during the preseason and relayed to the media before the start of the regular season.

Media Parking

The Panthers can offer a limited number of parking spaces available to the media on a seasonal basis that will be located in a fenced-in lot at the northwest corner of the BankAtlantic Center, near the press entrance. Please submit any requests for parking 24 hours prior to game to Justin Copertino at (954) 835-7712. The club will have a very limited number of game-by-game parking passes available and they will be issued on a first-come, first-served basis.

Press Meals

Upon receiving your credential from a Panthers communications representative at the press will-call, each member of the media may proceed to the Press Lounge. Meals may be purchased after signing in with Press Room food service individuals.

Florida Panthers Foundation

The mission of the Florida Panthers Foundation is to build a better future for the children of South Florida. Through philanthropic partnerships, grants, donations and community outreach programs, the Foundation maintains a focus on children's health, fitness, education and cultural needs. The Florida Panthers Foundation is a non-profit organization that has donated significant resources to charitable initiatives since its inception in 2003. Below is a list of some of the Panthers in the Community Programs for the 2009-10 season. For more information please contact the Panthers at 954-835-7332.

Third Annual Face-Off Luncheon

Presented by AvMed Health Plans

The Florida Panthers Foundation hosted the Third Annual Face-Off Luncheon on October 7, 2009. Over 400 guests filled the dining room at Signature Grand in Davie to hear head coach Peter DeBoer outline their plans for the 2009-10 season. Guests were able to enjoy a delectable lunch as a Florida Panthers player or personality joined each table.

"Shirts Off Our Backs" Auction

The final home game of the regular season allows the Foundation to host one of the most popular auctions of the season, the "Shirts Off Our Backs" auction, where the Foundation auctions off the game-used jerseys of each member of the Florida Panthers. This action packed auction is held through the second intermission where fans bid on their favorite jerseys at the silent auction tables. At the conclusion of the game, all winning bidders are escorted to center ice for a special post game ceremony where each player skates over to the fan that won their jersey, takes off their jersey and signs it while fans in the crowd look on.

Food & Toy Drives

The Florida Panthers wives demonstrate their generosity during the holiday season by partnering with the Florida Panthers to host food and toy drives. During the month of November, the wives host food drives outside of the BankAtlantic Center to benefit the Cooperative Feeding Program. Fans are encouraged to donate any nonperishable food items before select Florida Panthers home games. The entire staff of Sunrise Sports & Entertainment as well as Florida Panthers players and

Bryan McCabe

Stephen Weiss, Keith Ballard & Cory Stillman

their families spend one day volunteering at the Cooperative Feeding Program stocking pantry shelves and distributing Thanksgiving meals to families in need.

Last year, the Florida Panthers were able to feed nearly 400 families a Thanksgiving meal, complete with a turkey.

In December, the Florida Panthers and the Florida Panthers wives partner with the U.S. Marine Corps Reserves to collect toys for the popular Toys for Tots program. The Florida Panthers host toy drives before select home games and all donated toys are then distributed to children in need in South Florida.

Hospital Visits

Each season, Florida Panthers players, broadcasters, coaches, Ice Dancers and Stanley C. Panther make their annual hospital visits to spread holiday cheer to the patients. Players signed autographs, took pictures and distributed gift bags to all patients, including Panthers memorabilia.

Panther Pals and Koncert Kids

The Florida Panthers Foundation's Panther Pals and Koncert Kids Programs are a unique opportunity for our season seat holders, corporations and organizations to make a charitable donation. The objective is to provide local disadvantaged and disabled children's organizations, inner-city youth groups and educational institutions the opportunity to attend Panthers home games and concerts. Giving children experiences they will never forget is a way to make a real difference in the life of a child.

Recipients of donated tickets include: Big Brothers and Big Sisters, Boys and Girls Clubs, Haven House, HANDY and Joe DiMaggio Children's Hospital. Companies and donors can also choose the group of their choice. We thank those individuals and companies that have given thousands of tickets to needy children.

Panthers Fundamental Hockey Schools

Each summer the Florida Panthers host the Florida Panthers Hockey Schools at *incredible*ICE in Coral Springs. Each consists of a Fundamental Goalie School, Elite Goalie School, Future Stars School for atoms and the Fundamental Hockey School for skaters ages 7-17. Each year, Panthers players and alumni help *incredible*ICE instructors during each week with drills and scrimmages. Past volunteers include alumni Ray Sheppard, Peter Worrell, Craig Anderson, Mike Van Ryn and Roberto Luongo. For more information, call *incredible*ICE at (954) 341-9956 or log on to floridapanthers.com at the beginning of each summer.

Panthers Pregame Street Hockey Tournament

Four times annually, the Florida Panthers host a street hockey party in the parking lot of the BankAtlantic Center before a Saturday or Sunday game. Each team consists of 5 players on a shortened rink in a round robin tournament format. Players receive a Panthers Street Catz shirt, prize bag and a ticket to that day's game with each registration. Division winners all receive team signed memorabilia. Please call our Fan Development department at (954) 835-7728 for more information or stay tuned to floridapanthers.com for this season's dates.

Florida Panthers Inline Alliance

Calling all roller/inline players in South Florida! During the 2008-2009 season, the Florida Panthers sponsored the first of many travel inline programs in the community. The South Florida Inline Hockey League out of Weston partnered with the club by traveling through the Southeastern United States wearing the colors and crest of the Panthers. Using ticket drives to fundraise for the season, the SFIHL became the first team in the Florida Panthers Inline Alliance. At the end of the season, the rec. and travel programs came together for a one day tournament on the floor of the BankAtlantic Center to play for the Panthers Cup. Winners of the cup had their names engraved on the replica Stanley Cup trophy and can be seen on display on the 400 level at the BAC. For more information on having your travel inline programs join the Inline Alliance, please call (954) 835-7728 for sponsorship information.

YOUTH & AMATEUR HOCKEY PROGRAMS

The Panthers Cup

Beginning in Spring 2009, the Panthers Cup goes to the winner of the one day inline tournament on the concrete floor of the BankAtlantic Center. Teams from around the community come together to battle for the honor as being crowned the best team in South Florida. Photos, memorabilia and the cup itself can be seen on the 400 level of the BAC during any home games or events.

Intermission Junior Skaters

At select Panthers home games, local youth leagues are invited to play a special mini game during the first intermission. All atoms through peewee aged teams are eligible to showcase their skills at the BankAtlantic Center. Teams compete in a short game followed by an exciting shoot-out in this once-in-a-lifetime experience. To participate please call our youth hockey department at (954) 835-7728.

FLORIDA PANTHERS ALUMNI ASSOCIATION

The Florida Panthers and the NHL have formed an official Florida Panthers Alumni Association headed by former NHL defenseman and current Panthers broadcaster Randy Moller. The Alumni Association has a mission to encourage retired players and their families to remain involved with the Panthers organization and smooth the transition from player to businessman in the South Florida community.

The Alumni Association also raises money for South Florida youth hockey and other charitable causes. It serves to benefit sponsors and supporters through speaking engagements, hospital visits, promotional tours and player appearances. The alumni association has distributed more than $290,000.00 to the youth of South Florida.

Twelve seasons after taking South Florida on a memorable and wild ride to the Stanley Cup finals, the '96 Panthers came together at BankAtlantic Center on July 28, 2007 for a reunion game against former Panther alumni.

Before a crowd of over 11,000 – a crowd that lined up several hours before the game to get autographs from players and coaches – the '96 Panthers defeated the Florida Alumni 9-5.

The players that attended the reunion game from the '96 Panthers included Mark Fitzpatrick, Mike Hough, Ed Jovanovski, Paul Laus, Bill Lindsay, Scott Mellanby, Gord Murphy, Ray Sheppard, Brian Skrudland, Geoff Smith, John Vanbiesbrouck and head coach Doug MacLean.

The Panthers will host Alumni appreciation weekends during the 2009-10 season. Stay tuned to floridapanthers.com for more details as they become available.

Order of Selection for 2010 Entry Draft

The NHL's annual Draft Drawing is a weighted lottery system to determine the order of selection for the first 14 picks of the 2010 Entry Draft.
The 14 teams that did not qualify for the Stanley Cup Playoffs, or clubs that acquired those clubs' 2010 first-round draft picks, participate in the Drawing.
The Club selected in the drawing may not move up more than four positions in the draft order, thus only the five Clubs with the fewest regular-season points have the opportunity to receive the first overall selection.
No Club can move down more than one position as a result of the Draft Drawing.

In the first round of the 2010 Entry Draft, the order of selection is as follows:
a) The first 14 selections, as determined by the Draft Drawing (see above);
b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
e) Stanley Cup finalist
f) Stanley Cup champion

In the second and subsequent rounds the order of selection is as follows:
a) Non-playoff clubs in inverse order of points;
b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
e) Stanley Cup finalist
f) Stanley Cup champion

   v. a Player age 22 or older who has not been selected in a previous Entry Draft and shall be eligible to enter the League as an Unrestricted Free Agent pursuant to Article 10.1(d).

Unsigned Draft Choices

a) A player aged 18 or 19 who was selected in the first three rounds of the Entry Draft and who was not signed by his NHL Club may not be retained by the Club and must be returned to his junior Club no later than the day prior to the opening of the NHL regular season.
b) A player aged 18 or 19 who was selected in the fourth or subsequent rounds who has not been signed by his NHL Club may not be retained by his Club and must be returned to his junior Club no later than the fourth day prior to the opening of the NHL regular season.

Entry Level Players

1. Players 18 through 21 years of age when signing their first contract must remain in the entry-level system for a period of three years; players age 22 and 23 when signing their first contract are in the entry level system for two years; while those age 24 when signing their first contract are in the entry level system for one year. Age is defined as the player's age on September 15 of the calendar year in which he signs the contract, regardless of his actual age on the date he signs such contract.
2. In the event that a signed 18 or 19-year-old player does not play a minimum of 10 NHL games (regular season and/or playoffs) in his first season under contract, the term of his player contract and his number of years in the entry level system will be extended for a period of one year. The exception to this is a 19-year-old player who turns 20 years of age between September 16 and December 31 in his first contract year.
3. In the event that a player signs his first contract at age 18 and has had his Player Contract extended for one season already, and such player does not play at least 10 NHL games (regular season and/or playoffs) in the second season under that player's Player Contract, then the term of his Player Contract and his number of years in the Entry Level System shall be extended for one additional year.

23-Man Roster

There may be a maximum of 23 players on each Club's playing roster at any one time from the commencement of the NHL regular season through the trade deadline. Prior to the start of the season, each Club must submit to the NHL its "Opening Day Playing Roster" which shall be comprised of not more than 23 players. Each Club must have a roster of at least 20 players, composed of 18 skaters and two goaltenders. Players on Injured Reserve do not count in the 23-Man Roster limit.

Injured Reserve List

In the event that a player is injured and a Club wishes to place him on the Injured Reserve List, the Club must follow these procedures.

1. A Club may place a player on the injured reserve list if such player is injured, disabled or ill and unable to perform his duties as a hockey player after having passed the Club's initial physical examination in that season.
2. A player who has an injury that renders him physically unable to play for a minimum of seven days after that date of the injury can be placed on the Club's Injured Reserve List. Once a player is placed on the injured reserve, the Club may replace said player on its NHL roster with another player. All determinations that a player has suffered an injury warranting injured reserve status must be made by the Club's medical staff and in accordance with the Club's medical standards.
3. A player placed on Injured Reserve is ineligible to compete in NHL games for a period of not less than seven days from the date of injury.
4. Players on Injured Reserve may attend Club meetings and meals, travel with the Club and participate in practice sessions.
5. Players on Injured Reserve are prohibited from appearing in games, participating in pre-game warm-ups with their Clubs, or dressing in game uniforms on game days.

Regular Season Waivers

For purposes of Regular Waivers and Re-Entry Waivers, the five (5) year exemption for an 18 year old skater and the four (4) year exemption for a 19 year old skater shall both be reduced to three (3) years commencing the first season that the 18 or 19 year old skater plays in eleven (11) NHL Games or more. The next two (2) seasons, regardless of whether the skater plays any NHL Games in either season, shall count as the second and third years toward satisfying the exemption. For purposes of Regular Waivers and Re-Entry Waivers, the six (6) year exemption for an 18 year old goalie and the five (5) year exemption for a 19 year old goalie shall both

HOCKEY INFORMATION (CONTINUED)

be reduced to four (4) years commencing the first season that the 18 or 19 year old goalie plays in eleven (11) NHL Games or more. The next three (3) seasons, regardless of whether the goalie plays any NHL Games in any of those three (3) seasons, shall count as the next three (3) years toward satisfying the exemption.

The first season in which a Player who is age 20 or older plays in one (1) or more Professional Games shall constitute the first year for calculating the number of years he is exempt from Regular Waivers and Re-Entry Waivers.

A Player 25 years old or older who plays in one (1) or more Professional Games in any season shall be exempt from Regular Waivers and Re-Entry Waivers for the remainder of that season.

Tie-Breaking Procedures

At the conclusion of the regular season, the standing of the teams in each Conference shall be determined in accordance with the following priorities in the order listed:

a) First place in each of the three (3) divisions seeded 1, 2, and 3.
b) The higher number of points earned by the Club.
c) The greater number of games won by the Club.
d) The higher number of points earned in games against each other among two (2) or more Clubs having equal standing under priority (b) and (c) **
e) The greater differential between goals scored for and against by Clubs having equal standing under priority (d).

** NOTE: For the purpose of determining standing under priority (d) for two or more tied Clubs that have not played an even number of games with one or more of the other tied Clubs, the first game played in the city that has the extra game (the "odd game") shall not be included. When more than two Clubs are tied, the percentage of available points earned in games among each other (and not including any "odd games") shall be used to determine standing.
